

ASH PALES

CONTACT  07495 672 857  ash@ashpales.com  www.ashpales.com  15D Bolingbroke Road W14 0AJ London, UK	PROFILE  Well-rounded creative professional with a diversity of experiences in the areas of art, design, architecture, and urbanism. Motivated to explore the intersection of these areas. Self-starter and dynamic team player with a high interest in experimentation and innovation.	
EDUCATION ROYAL COLLEGE OF ART London, UK M.A. in Architecture Sept 2021 - Current Currently pursuing a two-year program which conceives of architecture as a diverse and complex set of practices that move beyond traditional distinctions and limits in the field. YALE UNIVERSITY New Haven, Connecticut, USA B.A. in Architecture Distinction in Major Aug 2016 - May 2020 Coursework focused on spatial design, architectural forms, material studies, and model-making. Notable supplemental educational experience includes courses in digital photography and a summer term abroad in Italy.	WORK EXPERIENCE [1/2] FREELANCE ARTIST & DESIGNER self-employed various locations Undertake various creative endeavors in the areas of art and design, including but not limited to: photography, videography, animation, illustration, graphic design, architectural design, and furniture design. Focus on honing my personal creative style, engaging with a variety of media, and developing meaningful business relationships. JUNIOR ARCHITECTURAL DESIGNER Florian Busch Architects remote via Tokyo, Japan Designed architectural concepts for a project which focused on sustainability and the use of artificial intelligence in a post-human built environment. Created graphics and videos to represent this project across multiple media platforms for domestic and international consumers and collaborators. Performed site analyses for current projects, paying close attention to environmental conditions and vernacular typologies. FABRICATION INTERN MFGR Designs Bozeman, Montana, USA Fabricated furniture, architectural elements, and other one-of-a-kind projects which explored the intersection between art and architecture. Used a variety of woodworking and metalworking tools and methods. Worked in teams to brainstorm, problem-solve, and collaborate on the creation and installation of challenging pieces.	AUG '20 - CURRENT OCT '20 - MAY '21 JUNE - SEPT '20
